

ABOUT US

The campus is situated on seventeen acres of land and is conducive to study and meditation. There is a library, multi-purpose conference centre, fully equipped computer lab, student welcome centre and canteen facilities.

We offer a multidisciplinary approach to education, with an emphasis on developing students spiritually, socially and academically.

For this reason chapel sessions are scheduled and there is a fitness programme available to students in the day school. Recreational facilities include a playfield, netball/basketball court, an area for volley ball, football, cricket and table tennis.

Furthermore, students can get involved in extracurricular activities such as the Drama club, the College Choir and the Universities and Colleges Christian Fellowship (UCCF).
